

**Living In Place  
Institute™**

**Idea Home – Dry Bar Features**

<b>Area</b>	<b>Issue</b>	<b>Reason</b>	<b>Supplied By</b>	<b>Installed By</b>
Ice and Espresso Makers	Placement of these appliances on a countertop	To free up space on the kitchen counters, these appliances are being placed in the Dry Bar		
Under Counter Beverage Cooler	Beverage cooler placement	To free up space in the refrigerator column, there is a drawer for canned goods under the Dry Bar counter	Signature Kitchen Suite	Mountain High Appliance
Lighting	LED strip lighting inside upper cabinets, underneath upper cabinets, and in the toe kick	To add lighting to better see items in these areas	Tresco Lighting	
Storage	Storage of infrequently used plates, flatware, candles, candleholders, etc. near the Dining Room	To make it easy to set the dining room table		

<b>Area</b>	<b>Issue</b>	<b>Reason</b>	<b>Supplied By</b>	<b>Installed By</b>
Storage	Storage of liquor and other bar supplies	Easy access to these items and to allow for a bigger area for drink preparation away from the kitchen counters
