Idea Home – Energy Star Features

Area	Issue	Reason	Supplied By	Installed By
Energy Star Devices	Refrigerator, freezer & wine columns	To make the Idea Home more energy efficient	Signature Kitchen Suite	Mountain High Appliance
Energy Star Devices	Undercounter refrigerator	To make the Idea Home more energy efficient	Signature Kitchen Suite	Mountain High Appliance
Energy Star Devices	Induction cooktop	To make the Idea Home more energy efficient	Signature Kitchen Suite	Mountain High Appliance
Energy Star Devices	Dishwasher	To make the Idea Home more energy efficient	Signature Kitchen Suite	Mountain High Appliance
Energy Star Devices	Heat pump	To make the Idea Home more energy efficient	LG HVAC	Four Seasons Heating
Energy Star Devices	Hot water heat pump	To make the Idea Home more energy efficient	LG HVAC	Marathon Mechanical

Area	Issue	Reason	Supplied By	Installed By
Energy Star Devices	Bathroom vent fans	To make the Idea Home more energy efficient	Panasonic HVAC	Four Seasons Heating
Energy Star Devices	Forced air units	To make the Idea Home more energy efficient	LG HVAC	Four Seasons Heating
Energy Star Devices	Bathroom and laundry room vent fans	To make the Idea Home more energy efficient	Panasonic HVAC	Four Seasons Heating
Energy Star Devices	Solar panels	To make the Idea Home more energy efficient	REC Group Solar Panels	
Energy Star Devices	Smart circuit breaker panel	To make the Idea Home more energy efficient	Span	
Energy Star Devices	Electric vehicle charging stations	To make the Idea Home more energy efficient	Span	
Energy Star Devices	Washing machine	To make the Idea Home more energy efficient	LG Appliances	Mountain High Appliance
Energy Star Devices	Dryer	To make the Idea Home more energy efficient	LG Appliances	Mountain High Appliance
